DISPUTE RESOLUTION TRAINING AND EXPERIENCE

As from 1993, I practised as advocate and legal advisor (1) in numerous arbitration proceedings (whereby more than 15 awards have been published), involving arbitration rules such as HKIAC Domestic Arbitration Rules, UNCITRAL Model Law, CIETAC, ICC, LMAA, Stockholm Chamber of Commerce, etc, (2) in numerous mediation (whereby more the 5 settlement agreements have been signed), and (3) in numerous court proceedings (whereby more than 20 judgments have been published).

OTHER RELEVANT EXPERIENCE

I am familiar with handling disputes of an international nature, involving parties from different countries, subject matter of the contract in different countries, applicability of governing laws from various jurisdictions (including conflict of laws issues), and handling arbitration proceedings (both written and oral) in more than one language.

I have experience in the intellectual property industry as well as the information technology industry. Recently I have advised clients on disputes arising from a license agreement regarding the Code Division Multiple Access (CDMA) technology, involving arbitration proceedings in the US, Europe, China, including enforcement of arbitral awards under the New York Convention. I have also advised clients on their International Intellectual Property Portfolio Structuring, including corporate structure, tax effective locations, filing strategies etc.

PROFESSIONAL APPOINTMENT
